

Hot Rail®

# NEW

## Snake Eyes™ Electrical Connector

A revolutionary electric fence accessory specially designed for Hot Rail® and White Lightning® fence systems.

- No stripping or cutting fence material
- Attaches in seconds
- Easy relocation

White Lightning®

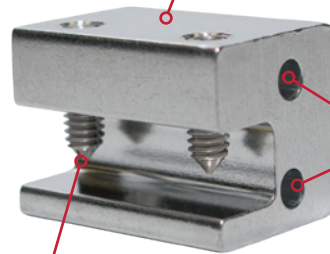

## WORRY FREE INSTALLATION

**NEW Snake Eyes™ Electrical Connectors** attach easily with no need for cutting or stripping.

Traditional line tap connectors require the removal of fence material for installation.

**RUST RESISTANT**  
Aluminum Body with Stainless Steel Screws

**STABLE CONNECTION**  
with self-piercing screws

**2 STINGER CHANNELS**  
Second stinger channel for multiple links

The preferred  
electrical connector for  
Centaur® Fencing Systems.
